FIXED LTL RATES - ONTARIO

Region Map

Brew Culture's Fixed LTL Rates allow you to know exactly how much your pallets are going to cost to get to you. Our colour coordinated and numbered map allows you to see what shipping region you belong to and what your fixed pallet rate will be. For more information on your shipping region and fixed rates please contact +1 (613) 552-7446 for Maxim Saumure, Maxim@brewculture.com, Orders@brewculture.com, or visit brewculture.com.

Prices shown are per pallet, standard shipping from Brew Culture's Muskoka, Ontario warehouse. (No fuel surcharge or pallet fees). Applicable taxes will be applied. Standard pallets of malt/adjuncts are 2200lbs (997.9kg) or 40 bags. For mixed product class pallets or for irregular sized packages the maximum product quantity and weight may vary.

It is up to the discretion of Brew Culture to determine the maximum size of a single pallet.
Quoted rates may be used in place of fixed rates and customers can also set up their own freight on a per case basis. Express freight available upon request.
